The screenshot shows the ASUS Drivers Update Utility application window. The title bar reads "ASUS Drivers Update Utility". The main header area contains the application logo and the text "ASUS Drivers Update Utility". On the left side, there is a vertical navigation menu with buttons for "Scan", "Download", "Settings", and "About". The "Download" button is highlighted. Below the menu, there is a text box that says "New drivers will make your devices to work properly. Click the DOWNLOAD ALL button to download driver updates for your computer." At the bottom left, there is a yellow warning icon and the text "UNREGISTERED" in red, with a "Register now" button below it. The main content area is titled "Download & Install" and features a yellow warning banner that says "Warning! Out of date drivers found!". Below the banner, there are three numbered steps (1, 2, 3) in circular icons. The main area displays a list of drivers with checkboxes, category headers, and "Download" and "Install" buttons. The categories include "Display adapters", "Sound, video and game controllers", and "Network adapters".
