

Some days you're the dog, and some days you're the hydrant. It can be a challenge to find a song for anything. But I have found the perfect song for today - Mahadeshwara daya barade kannada mp3 song. It speaks of self-realization. It describes the state of being born as a human being, even if you are dealt the worst possible cards in life. So it's good to have this song. ∞\*\*\*\*\* It has taken about an hour to find the lyrics for this song. I have to thank all the poets singing this song, but I must also say that this version is by Savitri. ∞\*\*\*\*\* Shiva is an ancient Hindu deity who symbolizes power, strength, knowledge and wisdom. The first word of the first verse of the song is "Shiva", I think that this was deliberate since Shiva embodies both knowledge and wisdom. The other two words are "Mahadeshwara" and "Daya barade". Mahadeshwara signifies salvation, the state of being saved from ignorance, misery and reincarnation. The last part of the first verse is a reference to "daya". This is a word that means "lady, damsel, maiden". Daya is a reference to Mahadev. He is a manifestation of ignorance and ignorance can be obliterated. So it's okay to be ignorant as long as the lady (Mahadev) manifests herself as all-knowing. ∞\*\*\*\*\* The version used in the film was originally sung by Ee Dhee Pee Dhariyai, and was composed by S. P. Kodandapani. The version by Savitri has different lyrics, but it is based on the same tune. ∞\*\*\*\*\* The writer of the song is unknown, but Savitri, who is also an actress, has sung it several times in her career.
